Janome 15000 Embroidery and Sewing Machine

Wireless Internet Connection allows you to communicate, design and connect to your MC15000 using an iPad®, your laptop or PC with two included apps.

The largest touchscreen on any home sewing and embroidery machine to date, capable of displaying tens of thousands of colors. Navigation is more intuitive and gives you more room to work on your embroidery layouts.

Fast internal processor! It's 100% faster than the fastest Memory Craft to date. That really saves time!

Super large workspace! No matter how big your creative ideas are, you're going to have the room to stitch them out.

Sales prices good through 12/24

Gift Certificates Available for your favorite sewers!

She'll be SEW thrilled!
