Stabbing and Shooting Incident

On November 15, 2014, McMinnville Police officers responded to the report of a stabbing at the 7-11 located at 901 SE Baker Street. Shortly after arriving, officers were confronted by the suspect of the stabbing and he was shot and killed by the officers. The stabbing victim was identified as Parker Archie Moore, a Linfield Student from Woodinville, WA, DOB: 5-23-94. The deceased suspect in the stabbing has *tentatively*** been identified as Joventino Bermudez Arenas, DOB 1-26-81.

The Oregon State Medical Examiner's Office, today, completed autopsies of both of these men. Parker Moore died as a result of two stab wounds to the chest. Joventino Bermudez Arenas died as a result of multiple gunshot wounds.

The McMinnville Police Officers involved in the incident were Sergeant Rhonda Sandoval (a 20 year veteran of the McMinnville Police Department-"MPD"), Officer Brian McMullen (a 5 year member of MPD) and Officer Justin James (a 6 year member of MPD). Each of these officers, as is standard procedure, is currently on paid administrative leave.

Investigators have continued to indicate that Joventino Bermudez Arenas has been "tentatively" identified. As of yet, they have been unable to confirm his identity, date of birth and background. As such, releasing 'tentative' findings could prove inaccurate. Until investigators are able to confirm his identity, other information about him is unavailable. This is one of the focal points of the ongoing investigation.

"911" calls and police radio traffic immediately surrounding the incidents are being released.

All further press inquiries should be directed to the Yamhill County District Attorney's Office. 503-434-7539.
