

THIS MEANS

WAR

On Wednesday November 25, for a \$100 donation, the MHS band will go to an unsuspecting individual's place of work and play 10 full minutes of their rival team's fight song. It will be LOUD and PROUD. The victim will have two options, listen and let fester—OR—after 2 or 3 times through the “distasteful music” they can match your donation and send the band on their way.
