

# *The Compassion Fund:*

At Provoking Hope we provide a safe, sober and supportive environment with reach-around services, to the residents of Oregon's Willamette Valley. We aim to help those struggling with addictions to transition onto the path of recovery. One way we do this is through our "Compassion Fund."

Your donation to the "Compassion Fund" helps provide needed support to those moving forward with their recovery. With little more than the clothes on their backs, our clients often face the world without needed essentials—lacking a birth certificate or ID. The Compassion Fund assists with these basic needs, and as their progression continues can be used to help purchase work items, find and secure new living arrangements, emotional support, and so much more.

By making a charitable and tax-deductible donation to Provoking Hope, you are there for the many members of your community as they work to rebuild their lives. Everything we do depends on the needs of the people we serve and we would not be able to do it without people like you.
