We All Win When We Buy Local

Welcome to the 2026 Best of Mac and Yamhill Valley!

Of the 274 local businesses we celebrate in this year's special publication, eighty have risen to the top. Nominated and voted on by you, these businesses reflect the best of what it means to be local—hard work, creativity, and a deep commitment to our community. This magazine is more than a list of winners. It's a snapshot of what makes Yamhill County a vibrant and unique place to live. It shows what's possible when a community supports its own. Each business featured here has earned your trust, your votes, and your business. That matters.

We also **thank our Business Partners**. Their advertising boosts visibility and sustains the independent local journalism serving our county. From school sports to city hall, nonprofits to neighborhood stories, their investment keeps it all going.

What can you do? Take action by shopping at these businesses, reading local journalism, and choosing local advertising outlets. Your engagement and spending fuel their success and sustain the local news, civic life, and values that bind our community together. Support local—because when you do, we all win.

Thanks for helping us honor the best of Yamhill County. Together, we can shape an even brighter future—**let's keep supporting local!**

How the Contest Works

Each year, the ballot includes a mix of Business Partner businesses, current advertisers, and nominees submitted by readers during our open nomination period.

Once nominations close, voting opens to the entire community—anyone can vote, no purchase or subscription required. If a business you love wasn't on the ballot or didn't win, that's your cue: nominate them next year and spread the word.

With so many great options, we rely on your input to shape the ballot and celebrate the best.
