A NOTE FROM YOUR CEO SHANNON BUCKMASTER

Are you urban or rural? Seeking your degree or simply seeking a personal education in world-class wine? Are you a visitor for a weekend or the next generation of a family that has called the Chehalem Valley home for decades? Whatever your goals or background, we're glad you're here. You're welcome and we support your enjoyment, prosperity and success.

Please use this directory to explore our region, again or for the first time. Our Chamber is proud of the Chehalem Valley. This tool contains opportunities for adventure and business connections for visitors and residents. It also contains a snapshot of what our community looks like today. And, please, reach out to our staff, board members or volunteers if we can improve your experience. We're here to support you!

WHO WE ARE AND WHAT WE DO

The Chehalem Valley Chamber of Commerce (CVCC) is a member-driven and professionally staffed nonprofit 501(c)-6 association of business people committed to promoting community, strengthening the local economy, building business relationships as an extension of authentic networking, representing the interests of business with government, and political action for the benefit of the business and general community.

Our Chamber is a catalyst for new ideas and growth, a convener for people to share energy and ideas, and a champion for our community's resources and opportunities. The organization primarily serves the cities of Newberg, Dundee and St. Paul, although membership and support are open to anyone who lives, works or does business in the area. The Chamber consists of almost 400 members, who are businesses and organizations, but also includes schools, public agencies, churches, other nonprofit organizations and individuals.

HOW TO GET INVOLVED

Building relationships is fundamental to the growth and success of any business. A proven and effective way to build relationships with fellow chamber members is by holding a leadership position, serving on a chamber committee or attending a large variety of Chamber events.

LEADERSHIP, COMMITTEES & RELATIONSHIP BUILDING

AMBASSADORS

The Chamber Ambassadors are enthusiastic professionals who enjoy working with our newest chamber members. The mission of the Chamber Ambassadors includes mentoring new members, ensuring that they are educated and equipped to maximize all of the benefits of chamber membership, and assisting with the New Member Benefits Breakfast, Greeters and Chamber After Hours planning.

Ambassadors: Jim Allison (dex.yp Media), Kevin Baty (Hagan Hamilton Insurance), Sheila Bradbury (Afina Staffing), Morgan

Kullowatz (Country Financial Insurance Company), Crystal Marks (First American Title), and Om Sukheenai (Chehalem Insurance Associates)

CHEHALEM VALLEY CHAMBER OF COMMERCE BOARD OF DIRECTORS

The Board of Directors is comprised of 13 elected and 2 appointed members. Board members serve three year terms with no more than five positions being elected each year. Board nominations are accepted at any time. A single slate of nominees is selected by the nominating committee based on an application and industry representation. The single slate vote is voted by the membership annually in the fall.

COMMUNITY AWARDS BANQUET COMMITTEE

Nominated by their peers and selected by an independent committee of business and community leaders, the Community Awards Banquet celebrates Chehalem Valley's finest businesses and citizens and acts as our annual meeting. This festive, community-oriented dinner is held in the Spring each year.

Co-Chairs: Leslie Banke (Ticor Title) and Kristen Gilmore (Happy Gilmore Cleaning Girls)

GOVERNMENTAL AFFAIRS COUNCIL

This council monitors and takes positions on local and state legislative issues and is an advocate on behalf of Chamber member businesses. It also organizes candidate forums and provides other educational opportunities for members to stay informed.

Co-Chairs: Brian Doyle (Doyle Engineering) and Mark Moisan (La Bastide Bed & Breakfast)

LEADERSHIP CHEHALEM

VALLEY

This 2-year leadership course includes 90 minutes of advanced professional and personal development training, in addition to cohort-bonding experiences, as supplemental programming to an inspiration tour of local and state business partners and influencers. After participating in class the first year, our second-year participants implement their professional skills by planning the classes for our incoming cohort. The classes are held on the third Tuesday of each month, September through June.

Co-Chairs: Linda Sandberg (Camp Tilikum) and Dan Prow (ICON Communications)

GREETERS AND CHAMBER AFTER HOURS

Organized by our Ambassadors, any Chamber Member can host Greeters or Chamber After Hours, which means that our location changes each event as we discover new businesses around our region. These events are premiere opportunities to meet our business leaders and hear what's new in our area. Attendance at Greeters ranges between 40 and 70 participants each Friday morning, between 8am and 9am. Chamber After Hours has a more relaxed feel, and ranges between 25 and 60 participants each second Tuesday of the month (excluding July and August), from 5pm to 7pm.

THE CHEHALEM VALLEY

Nestled in the northern region of the Willamette Valley, the Chehalem Valley stretches east to west, bordered on the north by the Chehalem Mountains, Dundee Hills and the highest point within the Willamette Valley, Bald Peak at 1,633 feet. The valley is bordered on the south by the meandering Willamette River.

Native Americans aptly gave Chehalem Valley its name, which means “Valley of the Flowers.” With a variety of wild berries, hazelnut trees and abundant deer, the valley offered the perfect spot for a settlement. In 1814, the valley’s beauty lured a hunting party from Fort Astoria to a camp in the present vicinity of Newberg. In the mid 1800s, Oregon pioneers began clearing land for farming. Today, Yamhill County boasts a rich and varied agricultural economy, producing more than 160 varieties of crops. The region grows 90 percent of the nation’s hazelnuts. Other principal products include wheat; poultry; dairy; a variety of fruits; livestock; wine grapes; vegetables, tree and plant nurseries; legume and grass seed.

ET FILLE WINES

WELCOME TO NEWBERG

MAYOR RICK ROGERS

If you are contemplating moving, expanding or starting your business in our beautiful community, please let me be among the first to welcome you. I can assure you; I will not be the last.

Newberg is a vibrant, caring and welcoming community that cherishes each of our 23,795 residents.

Founded by Quaker settlers in the late 1800's we are bordered by fertile agriculture lands, the Willamette River and Chehalem and Parrot Mountains.

Some of our illustrious former residents include President Herbert Hoover and the late, great Ken and Joan Austin. The Austins, philanthropists and entrepreneurs, in many ways typified what Newberg is and will continue to be; caring, generous, industrious and creative. Founders of A-dec, the largest privately held dental equipment company in the nation, the Austins embodied both community spirit and corporate responsibility. Their legacy will continue well into the future as the ideals and character they displayed in their daily lives continue to serve as inspiration to us all.

In addition to A-dec, Newberg is the home of a host of other major manufacturing businesses. International corporations have invested in the fields of electronics, food processing and wine making. Health care offerings are expanding through Providence Newberg Medical Center and ancillary businesses. George Fox University, a nationally acclaimed liberal arts university, is based in our fair city.

Once a sleepy stop on the way to the Oregon coast, Newberg is now the gateway to Oregon wine county. Though tourism is expanding, (the completion of the first phase of the Newberg-Dundee bypass has helped greatly), the community retains its small-town feel.

By small-town feel I mean church on Sundays (we have 37), sports on Saturdays and seeing your children's teachers when grocery shopping. Recreational offerings include our brand new state of the art aquatic center, top ranked municipal golf course, river launch, parks and ballfields.

Please do not equate 'small-town' with provincial. Arts and culture are alive and very well in Newberg and the Chehalem Cultural Center is a hive of creativity and celebration. A college town (Newberg is also the site of a Portland Community College branch), we are treated to music, art and theater regularly.

Volunteerism is another characteristic of this community. Maybe it is our Quaker founding, or the example of the Austins, or just our jolly good nature, but we truly care about each other. Volunteers are tremendously active in civic groups, non-profits, the schools and local government.

THE WATERFRONT

When Newberg's founding fathers set about settling in Newberg, the Willamette River was seen as a tool of industry. Today, Newberg leaders see the river that runs the entire south side of the city as a crowning jewel. Gone is industrial zoning. Introduced in 2001, was the Riverfront Master Plan. On the drawing board for approximately 200 acres is pedestrian-friendly, river-oriented commercial development, including a signature esplanade and significant open and recreational space. To catch the waterfront dream visit www.newbergoregon.gov/planning/riverfront-master-plan.

WELCOME TO DUNDEE

Dundee is a point of pride in the Chehalem Valley, with its fabulous view of the majestic Cascade mountain range. Located two miles west of Newberg, it's a stop you won't want to miss. Founded by a group of pioneer families, Dundee was named after the boyhood home of pioneer William Reid of Dundee, Scotland. History and genealogy buffs can visit the Dundee Pioneer Cemetery, located on a picturesque hilltop overlooking the city.

Dundee was incorporated in 1895. For many years Dundee was well-known for its production of prunes and walnuts. The city has also been hailed as the hazelnut capital of the world. Today, the biggest attraction in Dundee is the wine industry. In the 1970s, it was discovered that Dundee's Red Hills had a similar soil composition as the Bordeaux region in France. Since that time, over 25 wineries moved to, or started around, Dundee. Wines from the Dundee area have won numerous medals and acclaim by wine connoisseurs from around the world. A delicious offshoot of the wine industry is the growing number of fine-dining restaurants that are making Dundee and Newberg their home. Visit the City of Dundee's website at www.dundecity.org.

CHAMPOEG STATE PARK

WELCOME TO ST. PAUL

St. Paul was founded in 1901 and named by the Archbishop Francis Norbert Blanchet for the apostle Paul. The area was settled in the 1830s by French Canadians and became known as French Prairie. The center of St. Paul has been designated a national historic district.

Located eight miles south of Newberg, St. Paul is a farming community of 400 residents set in a landscape of fields and orchards. The area for 20 square miles around the town is some of the most fertile irrigated farm land in the country. Farmers raise a great diversity of crops here including grasses, grains, nursery, hops, filberts and vegetables.

Primarily a Catholic community, St. Paul is the home of historical St. Paul Catholic Church, built in 1846-47. The church, kept in excellent repair with several renovations over the years, still features original stained glass made in France and Germany. Original bricks, produced by Indian women and fired in a kiln on the site, are still visible in exterior walls. St. Paul Parochial School serves pre-kindergarten through eighth grade. The town also has a public elementary school and high school.

Famous for its annual 4th of July rodeo, St. Paul today is host to sixty thousand visitors and rodeo fans who travel to the small town for a slice of the Old West.
