

GRIZZLIES

OF THE WEEK

Yuhua Hughes Boys' Cross Country

Junior / Coach: Vic Downs | Parents: Betsy

The junior runner went out in style! His last race of the year ended with a big win in the JV Championship race. Yuhua paced his race out perfectly and when he reached the hill, he put on a surge and took over! His performance was the 6th fastest time of the day for the Grizzlies. Way to go, Yuhua!

Megan Peak Girls' Cross Country

Freshman / Coach: Vic Downs | Parents: Russ & Kathy

As a freshman this season, Megan ran varsity at most of the meets. At the last meet of the year, Megan ran JV. In that race, she led the field for the first mile and a half before finishing 7th. She has worked incredibly hard and because of that, she improved an incredible 4 minutes and 42 seconds over 5k! Congratulations, Megan!

Miguel Perez Flores Boys' Soccer

Junior / Coach: Jeff Autencio | Carlos & Sara

Miguel plays goal keeper for the grizzlies and has done an outstanding job all year. He came up big last week recording two shut outs against Glencoe and Century. That gives him 5 blank sheets for the year. Miguel is an extremely hard worker and constantly wants to improve his game. Our team has great confidence in him coming up with big save after big save. Let's keep it going throughout the playoffs.

McKenzie Davis Girls' Soccer

Junior / Coach: Adam Howard | Parents: Gary & Vonnie

McKenzie has been a key member in our defensive success this season. Her ability to read the game and win balls has been instrumental in keeping the ball out of our net. As our sweeper, she is asked to win a lot of balls and clear them out under a lot of pressure. She has lived up to that task all season long. Her willingness to get better each and every practice has been important to her improvements she has made throughout the year. Good job, McKenzie, keep up the great work!

Giovanni Galvez Football

Senior / Coach: Don Rutschman | Parents: William & Blanca

Gio had a very solid, consistent game against Century on both offense and defense. Gio has been another one of these quiet leaders, where actions speak louder than words. He has played consistently good football on both sides of the ball since week one. He often competes against personnel from other teams where he is the smaller of the two. He gives nothing less than 100% and is a pure pleasure to work with. Never hear him complaining or griping and always trying lift others up. Congratulations Geo on a fantastic year!

Taylor Petersen Volleyball

Sophomore / Coach: Ben Patterson | Parents: Shelli & Troy

Taylor is a sophomore middle hitter who is our most improved player. She has become a force using her impressive vertical jump to intimidate other teams' hitters and lead our team in blocks. She has also become adept at running our quick attacks in the middle and freeing up our other hitters. In addition, Taylor has added an impressive topspin serve that has been an effective weapon. Her defense is improved and we look forward to many more big blocks and hits over the next two seasons.
