A circle of giving...

This annual “Season of Giving” publication reminds us of the continuing Circle of Giving that serves our community well: Local people support local businesses, which support local non-profit organizations, which are so important in supporting local people. Just as many businesses depend on the holiday season for their economic vitality, local non-profit groups depend on year-end giving to help them provide year-round services. That need also is supported by public policies that boost donations through reduction of taxes for donors.

These pages highlight some of our many community-minded businesses and some of the non-profit causes they support. We join them in encouraging broad participation in this Season of Giving through contributions to these and other deserving charitable organizations.

There are many ways to give this holiday season.

NOURISH

Help banish hunger from your community: make breakfast for underprivileged children, cook meals for the homeless or manage a food bank for low-income families.

SUPPORT

Offer an attentive ear to someone who’s going through hard times. To find an opportunity to do so, look for an organization that recruits and trains volunteers for this type of role.

MENTOR

Share your knowledge and experience with someone who will put it to good use. Mentoring is a gratifying way to empower a young person whose professional aspirations are similar to yours.

SPONSOR

From new immigrants to individuals with disabilities, there are lots of great people in your community who could use your support. As a bonus, becoming a sponsor often marks the beginning of a wonderful friendship.

COACH

Get involved in your community and have a blast while you’re at it! Offer to coach a local sports team to share your passion and skills with tomorrow’s all-stars.

TEACH

Do you have a gift for languages, the arts, music or mathematics? Sharing your craft or expertise for free with people of all ages and backgrounds is extremely rewarding.

ACCOMPANY

Simply being there for someone who is facing a stressful situation – a medical appointment, for instance – can make a world of difference, especially for the elderly and the vulnerable.

ENTERTAIN

If you’re a born performer, use your talent to brighten up the lives of those who need it most: refugees, inmates or orphans, for instance.

Join with these local businesses and support our community non-profit organizations.

The Yamhill County Cultural Coalition enlivens and gives access to the arts, heritage and humanities. The YCCC enhances local resources by distributing around \$20,000 in grants annually through the Oregon Cultural Trust (OCT), and by promoting local participation in Oregon’s one-of-a-kind Cultural Trust Tax Credit.

HOW THE TAX CREDIT WORKS

- 1 Make a donation to one or many of our local Cultural Partners at yamhillcountyculture.org/give-2

- 3 On your State Tax Form, report your gift to the OCT. You’ll get 100% of it back!*

GRANT DOLLARS AT WORK

Donations to the OCT are returned to the community through our annual competitive grant program. Many of the most celebrated cultural assets in Yamhill County were launched or expanded with help from the YCCC, all thanks to the local champions who donate each year to giving campaign.

Grants from the YCCC help fund projects at museums, build capacity for educational programs, support local festivals, encourage diversity and inclusion and much more.

Annually, we award around \$20,000 in competitive arts and culture grants.

Current exciting grants in review are to:

East Creek Art-The largest wood fired Anagama Kiln west of the Mississippi. EastCreekArt.org

A grant request for Newberg library to grow the LatinX middle school book collection.

Yamhill Downtown Beverly Cleary Birthday Celebration

Evergreen Aviation & Space Museum (EASM)

A constellation exhibit titled “Patterns in the Sky” explores the mythologies from recognizable cultures like the Greeks and Romans, but also explores star stories from groups like the Tswana people in Africa, Hindus, and Hawaiians. To elevate and highlight the importance of Yamhill County’s Native American tribes, stories about the Sun and Moon, which play key roles in the visibility of all constellations in the night sky, will be limited exclusively to the Confederated Tribes of the Grand Ronde.

On a path moving forward

The Mission helps those who are stranded • those who have lost their housing • those who want to get off the streets • veterans needing shelter • elderly with no place to go • and men, women, children, and families that are struggling.

Through the good news of the Gospel, the Mission provides a safe environment, a warm place to sleep, meals, resources, and caring staff to lead those that were stranded to a path in the right direction.

We are continuing to raise funds for the renovation of the Women and Children's facility. If you would like to be part of something special, a matching grant has been made available for a new, expanded commercial kitchen.

Come volunteer and make the Yamhill County Gospel Rescue Mission your Mission!

FOUNDATION

OF McMINNVILLE

WHO WE ARE

The McMinnville Area Community Foundation is a 501(c)(3) organization started in 2013 by members of our community because their lives have been so enriched living in our community that they wanted to create a LEGACY for McMinnville. It is a way for them to say "THANK YOU McMINNVILLE" that will provide significant perpetual benefits to our area long after they are gone.

WE ARE MANY LEGACY FUNDS

The Foundation currently consists of 35 perpetual funds created by individuals, families and entities who want to support various needs in our community. To do so they chose to donate money to create a fund with the Foundation. An amount from the investment return on these funds is then distributed annually to support a charitable cause selected by the creator of their LEGACY Fund.

WHAT THESE LEGACY FUNDS ACCOMPLISH

These funds perpetually make a difference in many ways: They provide food for the hungry; shelter for those without a home; funds for those in crisis; safety for abused and neglected children; programs for dogs and cats; youth programs which include summer programs involving reading, books, art and athletics; vocational and educational scholarships; and community enrichment programs such as theater, art and local history.

HOW DO I CREATE A LEGACY FUND ?

You begin by deciding to make a difference. By deciding to create a LEGACY that truly makes a difference every year that is important to you, to your family or to your organization. You start by contacting the Foundation: Dave Haugeberg at dchaugeberg@gmail.com or Dianne Haugeberg at dlhaugeberg@hrglawyers.com. And the additional tax benefits in 2020 makes it a great time to act.

Homeward Bound Pets

HUMANE SOCIETY

Improving the lives of cats and dogs through
adoption and community partnerships.

Your love helps keep us safe and healthy!

Our lifework is to help those without a voice, but we can't do it alone. In this season of giving, we ask you to help us care for our shelter animals. Most needed are financial donations and volunteer support.

As each animal arrives scared and alone at the *Homeward Bound Pets Animal Shelter*, they hear unfamiliar sounds and meet many strangers. Each dog and cat receives individualized time with our staff and volunteers to ensure they receive the proper care.

To get an animal ready for adoption, it costs HBPets an average of \$275 if no surgeries are required, with the exception of spay/neuter procedures. Your generous donations allow us to focus on rescue and rehabilitation efforts. Donations are the single largest funding for Homeward Bound Pets, *Oregon's first no-kill shelter*.

We send out a heartfelt thank you...

...to our generous donors and volunteers who have enabled us to help over 16,000 Yamhill County dogs and cats. To learn more and make a gift please go to **hbpets.org** or mail your checks to PO Box 8, 10601 SE Loop Rd., McMinnville, OR 97128.

Our Mission

Providing culturally aware outreach, education and services for victims of domestic and sexual violence through leadership, hope and respect for thriving families.

What We Provide

As the only provider of domestic and sexual violence support and emergency services in Yamhill County, Henderson House provides safety, shelter and services which empower adult and child survivors as they move from being victims of domestic violence, sexual assault/abuse, stalking or human trafficking to becoming survivors. We work to promote change in the societal conditions that allow oppression and all forms of violence by providing direct services, education and outreach.

Within the confidential emergency shelter, our Henderson House advocates assist clients and families by providing options for a more long-term stable environment, information, referrals and aids and supports client goals to build positive relationships beyond their time with Henderson House.

Mid 2021 our Youth Advocate will facilitate Girls Circle, an evidence-based gender-response group for girls and helps them to make healthy choices and build confidence.

In 2019, Henderson House provided 3370 shelter nights for survivors and their children. Our support groups were attended 383 times and provided community awareness to 1068 people through community engagement presentations. We answered 809 crisis calls and made over 971 safety plans with individuals. Henderson House is focused on providing the best services possible to continue our efforts in supporting victims, survivors and families toward a violence-free life.

Donate

Yamhill County is a wonderful place to live and work. One of the key reasons is the commitment of our community members to support local social services that keep people safe, housed and fed. Everyone has the opportunity to make a difference in the lives of those we serve.

Beyond Backpacks is an annual event that was established in 2004. The organization helps children in Yamhill County from high needs families in grades K-12 receive new backpacks, "chalked" full of school supplies.

Children who attend the event get to pick out their own brand new backpack and receive school supplies appropriate to their grade level. Other supplies needed for their families are also available that day. Refreshments are served and the children are encouraged to visit and play while their parents are able to learn more about community services available to them.

Beyond Backpacks is a totally donation-led organization and is a coordinated effort supported by many churches, service organizations, businesses and individuals throughout Yamhill county. In the past few years, Beyond Backpacks has served over 900 children each year. We continue to work hard to meet the needs of as many children as possible. Beyond Backpacks goal is to never leave a child without the supplies they need to start the school year off right.

vision: Introduce adolescents to Jesus Christ and help them grow in their faith.

what: Young Life is an international organization that focuses on adolescents in a local community. We seek to mentor and lead adolescents through life and hope to be able to share the Gospel of Jesus Christ with them. Young Life has been active in McMinnville since the 1960s.

where: : YoungLife in McMinnville is happening in many ways. 1- YoungLife leaders are going to McMinnville High School 2- WyldLife leaders are going to Patton and Duniway Middle Schools 3- YoungLives leaders are meeting with teen moms from McMinnville and Sheridan 4- YoungLife College is active on campus at Linfield 5- YoungLife is in Dayton! 6- YoungLife Capernaum is forming for students with disabilities!

how: We believe that all adolescents need to hear the Gospel of Jesus Christ. However, in order to share this we "earn the right to be heard" in their lives. We believe that a friendship is the best place to share this message, so we build friendships with our adolescent friends.

why: Adolescents today are dealing with things that previous generations did not. There is so much pain, suffering and brokenness in our society. We believe that Jesus is the solution to finding healing, peace and strength in this brokenness.

needs:

Prayer: We need people to pray for kids and for us

People: More leaders, more behind the scenes people

Finances: We have 2 full time staff members, 3 part time staff members, and over 40 volunteers! We are a 100% locally funded non-profit organization. Gifts can be made online at

Hunger in Yamhill County is real. *...especially during a pandemic!*

THE NEED IS REAL

We're on track to serve over 32,000 meals to hungry local people in 2020. Your support makes a critical difference in the lives of people right here in Yamhill County.

HOW YOU CAN MAKE A DIFFERENCE

The folks you're helping might be your neighbors or even your friends. A gift of \$250 provides 231 meals, a gift of \$500 provides 462 meals and \$2820 sponsors an entire month of meals! Since we're part of a 501(c)3 organization, your donation is tax-deductible!

CAN'T AFFORD TO DONATE?

Ordinarily we need volunteers, too. Current COVID precautions have reduced our need but we anticipate an increased need when restrictions are lifted. In the meantime, other local ministries might use your help. Whether you're an individual or a group, keep us in mind for the future. Your efforts can make a real difference right here in Yamhill County!
