These pages highlight some of our many community-minded businesses and some of the policies that boost donations through reduction of taxes for donors. This annual ‘Season of Giving’ publication reminds us of the continuing Circle of Giving that serves our community well: Local people support local businesses, which support local non-profit organizations, which are so important in supporting local people. Just as many businesses depend on the holiday season for their economic vitality, local non-profit groups depend on year-end giving to help them provide year-round services. That need is also supported by public policies that boost donations through reduction of taxes for donors.

There are many ways to give this holiday season.

**NOURISH**
Help banish hunger from your community; make breakfast for underprivileged children, cook meals for the homeless or manage a food bank for low-income families.

**SUPPORT**
Offer an attentive ear to someone who’s going through hard times. Find an opportunity to do so, look for an organization that recruits and trains volunteers for this type of role.

**MENTOR**
Share your knowledge and experience with someone who will put it to good use. Mentoring is a way to empower a young person whose professional aspirations are similar to your own.

**SPONSOR**
From new immigrants to individuals with disabilities, there are lots of great people in your community who could use your support. Join with these local businesses and support our community non-profit organizations.

Through the good news of the Gospel, the Mission provides a safe environment, a warm place to sleep, meals, resources, and caring staff to lead those that were stranded to a path in the right direction.

We are continuing to raise funds for the renovation of the Women and Children’s facility. If you would like to be part of something special, a matching grant has been made available for a new, expanded commercial kitchen.

WHO WE ARE

The McMinnville Area Community Foundation is a 501(c)(3) organization started in 2013 by members of our community because their lives have been so enriched living in our community that they wanted to create a LEGACY for McMinnville. It is a way for them to say “THANK YOU McMinnville” that will provide significant perpetual benefits to our area long after they are gone.

WE ARE MANY LEGACY FUNDS

The Foundation currently consists of 35 perpetual funds created by individuals, families and entities who want to support various needs in our community. To do so they chose to donate money to create a fund with the Foundation. An amount from the investment return on these funds is then distributed annually to support a charitable cause selected by the creator of their LEGACY Fund.

WHAT THESE LEGACY FUNDS ACCOMPLISH

These funds perpetually make a difference in many ways: They provide food for the hungry; shelter for those without a home; funds for those in crisis; safety for abused and neglected children; programs for dogs and cats; youth programs which include summer programs involving reading, books, art and athletics; vocational and educational scholarships; and community enrichment programs such as theater, art and local history.

HOW DO I CREATE A LEGACY FUND?

You begin by deciding to make a difference. By deciding to create a LEGACY that truly makes a difference every year that is important to you, to your family or to your organization. You start by contacting the Foundation: Dave Haugeberg at dchaugeberg@gmail.com or Dianne Haugeberg at dlhaugeberg@hrglawyers.com. And the additional tax benefits in 2020 makes it a great time to act.

What We Provide
As the only provider of domestic and sexual violence support and emergency services in Yamhill County, Henderson House provides safety, shelter and services which empower adult and child survivors as they move from being victims of domestic violence, sexual assaults, stalking or human trafficking to becoming survivors. We work to promote change in the societal conditions that allow oppression and all forms of violence by providing direct services, education and outreach.

Within the confidential emergency shelter, our Henderson House advocates assist clients and families by providing options for a more long-term stable environment, information, referrals and support to build positive relationships beyond their time with Henderson House.

In 2021 our Youth Advocate will facilitate Girls Circle, an evidence-based gender-responsive group for girls and helps them to make healthy choices and build confidence.

In 2019, Henderson House provided 3370 shelter nights for survivors and their children. Our support groups were attended 383 times and provided community awareness to 1068 people through community engagement presentations. We answered 809 crisis calls and made over 971 safety plans with individuals. Henderson House is focused on providing the best services possible to continue our efforts in supporting victims, survivors and families toward a violence-free life.

How YOU can help foster children:

Become a Board Member! We are currently seeking new members who care about the welfare of children in Yamhill County. Join Us!

Donate! YCCASA is a 501(c)3 non-profit that operates on donations and fundraising to provide specialized training to volunteers. Please think of them during this season of giving!

Donate items! NW UAV is hosting a needs drive for items that children in foster care need. From hats & scarves to duffle bags and books, these kids need things to help make their transition in foster care smoother.

Become a CASA! Help to advocate for children in the foster system by receiving training to be an official CASA. A court appointed special advocate looks out for the child’s best interests, and makes sure that they do not get lost in the legal system. There are close to 200 Yamhill County children in DHS foster care every year; they each deserve a CASA.

Online Educational Support at MCA: Students will receive educational support from a classroom teacher whether they choose to enroll in our Online Distance Learning program through Abeka or bring their online learning from the school that they are currently enrolled in.

Alternative options to childcare: K - 6th grade also has the option to enroll in MCA’s Online Distance Learning program through Abeka and complete their learning at home for a lower tuition rate.
Beyond Backpacks is an annual event that was established in 2004. The organization helps children in Yamhill County from high needs families in grades K-12 receive new backpacks, “chalked” full of school supplies.

Children who attend the event get to pick out their own brand new backpack and receive school supplies appropriate to their grade level. Other supplies needed for their families are also available that day. Refreshments are served and the children are encouraged to visit and play while their parents are able to learn more about community services available to them.

Beyond Backpacks is a totally donation-led organization and is a coordinated effort supported by many churches, service organizations, businesses and individuals throughout Yamhill County. In the past few years, Beyond Backpacks has served over 900 children each year. We continue to work hard to meet the needs of as many children as possible. Beyond Backpacks goal is to never leave a child without the supplies they need to start the school year off right.

SPONSORED BY HAGAN HAMILTON
vision: Introduce adolescents to Jesus Christ and help them grow in their faith.

what: Young Life is an international organization that focuses on adolescents in a local community. We seek to mentor and lead adolescents through life and hope to be able to share the Gospel of Jesus Christ with them. Young Life has been active in McMinnville since the 1960s.

where: YoungLife in McMinnville is happening in many ways. 1- YoungLife leaders are going to McMinnville High School 2- WyldLife leaders are going to Patton and Dunaway Middle Schools 3- YoungLives leaders are meeting with teen moms from McMinnville and Sheridan 4- YoungLife College is active on campus at Linfield 5- YoungLife is in Dayton 6- YoungLife Capernaum is forming for students with disabilities!

how: We believe that all adolescents need to hear the Gospel of Jesus Christ. However, in order to share this we "earn the right to be heard" in their lives. We believe that a friendship is the best place to share this message, so we build friendships with our adolescent friends.

why: Adolescents today are dealing with things that previous generations did not. There is so much pain, suffering and brokenness in our society. We believe that Jesus is the solution to finding healing, peace and strength in this brokenness.

needs:
Prayer: We need people to pray for kids and for us
People: More leaders, more behind the scenes people
Finances: We have 2 full time staff members, 3 part time staff members, and over 40 volunteers! We are a 100% locally funded non-profit organization. Gifts can be made online at www.mcminnvillearea.younglife.org (click "GIVE NOW")
Merry Christmas

We are proud to be part of this community that gives back, not only in this season, but throughout the entire year.

Hunger in Yamhill County is real...especially during a pandemic!

THE NEED IS REAL
We’re on track to serve over 32,000 meals to hungry local people in 2020. Your support makes a critical difference in the lives of people right here in Yamhill County.

HOW YOU CAN MAKE A DIFFERENCE
The folks you’re helping might be your neighbors or even your friends. A gift of $250 provides 231 meals, a gift of $500 provides 462 meals and $2820 sponsors an entire month of meals! Since we’re part of a 501(c)3 organization, your donation is tax-deductible!

CAN’T AFFORD TO DONATE?
Ordinarily we need volunteers, too. Current COVID precautions have reduced our need but we anticipate an increased need when restrictions are lifted. In the meantime, other local ministries might use your help. Whether you’re an individual or a group, keep us in mind for the future. Your efforts can make a real difference right here in Yamhill County!
