# SEASON OF **GIVING**

A SPECIAL SECTION OF THE  
NEWS-REGISTER ADVERTISING  
DEPARTMENT **2021**

Featuring nonprofits of Yamhill County and their business supporters

# A circle of giving...

This annual "Season of Giving" publication reminds us of the continuing Circle of Giving that serves our community well: Local people support local businesses, which support local non-profit organizations, which are so important in supporting local people. Just as many businesses depend on the holiday season for their economic vitality, local non-profit groups depend on year-end giving to help them provide year-round services. That need also is supported by public policies that boost donations through reduction of taxes for donors.

Through the generosity of the community-minded businesses who donated a full page ad to the non-profits featured here, we are able to highlight some of the businesses and charitable organizations deserving of your support this holiday season. Each business sponsor is listed under the non-profit they chose to support this year. We join them in encouraging broad participation in this Season of Giving through contributions to these and other deserving charitable organizations.

## There are many ways to give this holiday season.

### NOURISH

Help banish hunger from your community: make breakfast for underprivileged children, cook meals for the homeless or manage a food bank for low-income families.

### SUPPORT

Offer an attentive ear to someone who's going through hard times. To find an opportunity to do so, look for an organization that recruits and trains volunteers for this type of role.

### MENTOR

Share your knowledge and experience with someone who will put it to good use. Mentoring is a gratifying way to empower a young person whose professional aspirations are similar to yours.

### SPONSOR

From new immigrants to individuals with disabilities, there are lots of great people in your community who could use your support. As a bonus, becoming a sponsor often marks the beginning of a wonderful friendship.

### COACH

Get involved in your community and have a blast while you're at it! Offer to coach a local sports team to share your passion and skills with tomorrow's all-stars.

### TEACH

Do you have a gift for languages, the arts, music or mathematics? Sharing your craft or expertise for free with people of all ages and backgrounds is extremely rewarding.

### ACCOMPANY

Simply being there for someone who is facing a stressful situation – a medical appointment, for instance – can make a world of difference, especially for the elderly and the vulnerable.

### ENTERTAIN

If you're a born performer, use your talent to brighten up the lives of those who need it most: refugees, inmates or orphans, for instance.

### DID WE MISS YOU?

If we missed your business this year and you'd like to be contacted next year to support a non-profit organization, call 503.687.1258 or email [advertising@newsregister.com](mailto:advertising@newsregister.com)

Join with these local businesses and support our community non-profit organizations.

Transforming the lives of Yamhill County children through literacy and music enrichment.

In partnership with the community and proven programs, YES provides access to inclusive literacy and music programs that help children dream more, learn more and be more.

**Yamhill County Imagination Library** puts books into the hands and hearts of local children. YES partners with Dolly Parton's Imagination Library to mail an age-appropriate, high-quality book each month to registered children from birth to age five. This program is FREE for Yamhill County families.

Following the famed El Sistema program, harnessing the power of music to develop life skills, **Junior Orchestra of Yamhill County** instructors teach violin during school music class to kindergarteners and first graders. Second through fifth graders can sign up for the JOY after school orchestra to learn the viola or cello.

**Bounty of Yamhill County** celebrates the unique trifecta of famous vintners, talented chefs, and family farms through a series of wine-and-food-focused events. Proceeds from the annual three-day festival benefit the Yamhill Enrichment Society.

# *Season Of Giving...*

For shelter pets, the holidays are just another day, even though their needs continue Christmas, New Year's Day, and every holiday throughout the year. While many of us take a break this time of year, these animals don't get a "break." Every single day of the year, pets in shelters need clean kennels and catteries, food, water, walks, and love. But...if everyone else is busy with family, who takes care of them?

Luckily, we have a very special team. Someone offers to work on the holidays and sacrifices time with their own family... for the dogs and cats.

The animals at our shelter are well cared for every day as they wait to be adopted. We believe kindness creates love, and every homeless pet deserves a chance at love, a forever family and a warm bed. During this Season of Giving, we ask you to help us care for them.

Please consider joining our monthly donor program, Loyal Companions. This program allows us to focus on caring for our animals, rather than fundraising. To become a monthly donor visit: [hbpets.org/loyal-companions-monthly-giving](http://hbpets.org/loyal-companions-monthly-giving) or donate online at: [HBPets.org](http://HBPets.org) or Mail check to: P.O. ## On a path moving forward

The Mission helps those who are stranded • those who have lost their housing • those who want to get off the streets • veterans needing shelter • elderly with no place to go • and men, women, children, and families that are struggling.

Through the good news of the Gospel, the Mission provides a safe environment, a warm place to sleep, meals, resources, and caring staff to lead those that were stranded to a path in the right direction.

We are continuing to raise funds for the renovation of the Women and Children's facility. If you would like to be part of something special, a matching grant has been made available for a new, expanded commercial kitchen.

Come volunteer and make the

## vision: Introduce adolescents to Jesus Christ and help them grow in their faith.

**what:** Young Life is an international organization that focuses on adolescents in a local community. We seek to mentor and lead adolescents through life and hope to be able to share the Gospel of Jesus Christ with them. Young Life has been active in McMinnville since the 1960s.

**where:** YoungLife in McMinnville is happening in many ways. 1- YoungLife leaders are going to McMinnville High School 2- WyldLife leaders are going to Patton and Duniway Middle Schools 3- YoungLives leaders are meeting with teen moms from McMinnville and Sheridan 4- YoungLife College is active on campus at Linfield 5- YoungLife is in Dayton! 6- YoungLife Capernaum is forming for students with disabilities!

**how:** We believe that all adolescents need to hear the Gospel of Jesus Christ. However, in order to share this we "earn the right to be heard" in their lives. We believe that a friendship is the best place to share this message, so we build friendships with our adolescent friends.

**why:** Adolescents today are dealing with things that previous generations did not. There is so much pain, suffering and brokenness in our society. We believe that Jesus is the solution to finding healing, peace and strength in this brokenness.

**needs:**

**Prayer:** We need people to pray for kids and for us

**People:** More leaders, more behind the scenes people

**Finances:** We have 2 full time staff members, 3 part time staff members, and over 40 volunteers! We are a 100% locally funded non-profit organization. Gifts can be made online at [www.mcminnvillearea.younglife.org](http://www.mcminnvillearea.younglife.org) (click "GIVE NOW")

# Hunger in Yamhill County is real.

*...especially during a pandemic!*

## THE NEED IS REAL

We're on track to serve over 24,000 meals to hungry local people in 2021. Your support makes a critical difference in the lives of people right here in Yamhill County.

## HOW YOU CAN MAKE A DIFFERENCE

The folks you're helping might be your neighbors or even your friends. A gift of \$161 provides 100 meals, including take-out packaging. A gift of \$250 will feed 155 people. Or you could generously sponsor an entire month for \$3000! Since we're part of a 501(c)(3) organization, your donation is tax-deductible!

## CAN'T AFFORD TO DONATE?

Ordinarily we need volunteers, too. Current COVID precautions have reduced our need but we anticipate an increased need when restrictions are lifted. In the meantime, other local ministries might use your help. Whether you're an individual or a group, keep us in mind for the future. Your efforts can make a real difference right here in Yamhill County!

## Beyond Backpacks

**B**eyond Backpacks is an annual event that was established in 2004. The organization helps children in Yamhill County from high needs families in grades K-12 receive new backpacks, "chalked" full of school supplies.

Children who attend the event get to pick out their own brand new backpack and receive school supplies appropriate to their grade level. Other supplies needed for their families are also available that day. Refreshments are served and the children are encouraged to visit and play while their parents are able to learn more about community services available to them.

Beyond Backpacks is a totally donation-led organization and is a coordinated effort supported by many churches, service organizations, businesses and individuals throughout Yamhill county. Each year Beyond Backpacks continues to serve well over 500 children of our community. We continue to work hard to meet the needs of as many children as possible. Beyond Backpacks goal is to never leave a child without the supplies they need to start the school year off right.

**OUR MISSION:**

To serve children of families in need with a backpack and school supplies. We believe deeply in children starting the school year on a positive note; feeling that they belong and can contribute to their classroom.
